SOCIETY

a legacy to EveryAge Foundation*

THE GIFT THAT *grows*

Join the Julius Society named in honor of Julius Abernethy and wife Maye Morrison Abernethy. Their generosity planted the seed that grew to become EveryAge. Julius and Maye's gifts of time, talent and treasure will forever be acknowledged.

The Julius Society honors friends like Julius and Maye who are committed to becoming members and work to support our mission by leaving a legacy to EveryAge Foundation.

As a lifelong member of the United Church of Christ, and also having the privilege to serve on the Boards and Committees of EveryAge, I find joy in supporting this great

ministry among our older adults. Quite often I think of the many organizations that have enriched my life that were left here by those who came before me. Legacy giving is a way that we can all enrich and add meaning to the lives of those who follow us.

- Dr. R. Leroy Howell

Benefits of Membership

- Invitation to and recognition at the annual Julius Society Dinners (held in Newton and Thomasville, NC and Suffolk, VA each September)

Gifts to the Julius Society provide the "seed money" for projects supporting the mission of EveryAge, such as providing assistance to qualified residents in need, enhancing the quality of services and programs, capital projects, employee assistance, and much more.

Our Julius Society commitment is our deep appreciation for this ministry and its mission.
